DEPARTMENT RELEASES REVISED, ENHANCED GRANT REIMBURSEMENT APPLICATION (GRA)

(BOISE) – The Idaho State Department of Education has released a revised and enhanced version of the Grant Reimbursement Application (GRA) on Monday, August 3rd.

The enhancement offers a simpler navigation process and streamlined user experience for our districts and charter schools. In addition to a clearer, more user-friendly interface, several new features have been added to create a smoother work flow and more robust reporting. Changes as required by the new Federal Uniform Administrative Regulations provide improved transparency over Federal grants.

The department will be offering the following webinars to aid in the transition. To sign up and register for one of the following dates, please visit the following Go To Webinar link: <https://attendee.gotowebinar.com/rt/1981371998451367426>.

- August 10 – 9:00-10:00
- August 12 – 2:00-3:00
- August 27 – 9:00-10:00

If you have additional questions or comments regarding the update to the GRA, please contact Alexis Neufeld at (208) 332-6871 or by email at aneufeld@sde.idaho.gov.
